

# HAYS CITY

## Store & Ice House

### OUR STORY

Hays City Store first opened in the early '80s as a gas station and convenience store at the intersection that was at one time the town of Hays City (1908). The store was a blessing to area residents who were grateful to not have to drive to neighboring towns for gas and household essentials. A café was added in the '90s and folks loved their breakfast and lunch counter!

Fast forward to March 2015 — a propitious chain of events, hard work, fate and good luck...Hays City Store re-opened as a full service restaurant and bar featuring scratch made Texas comfort food, hand crafted cocktails, and local — beers, spirits and wine. The decision to keep the name “Hays City Store” was not difficult, as it had been known so for over 30 years.

Thank you so much for visiting Hays City Store & Ice House, we hope to see you again soon!

— Tamra & Travis
