OUR STORY

Welcome to Hays City Store! Originally opening in the early '80s as a gas station and convenience store, it became a valuable resource for locals, offering gas and household essentials without the need to travel to neighboring towns. In the '90s, a café was added, delighting customers with breakfast and lunch options.

In March 2015, Hays City Store transformed into a full-service restaurant and bar, serving homemade Texas comfort food, crafted cocktails, and local beverages. Despite the changes, the name remained the same, honoring its three-decade legacy.

In October 2017, Hays City Store evolved into Hays City Store & Ice House to accommodate the growing demand for space. The addition of The Ice House brought more seating, a large draft beer selection, TVs, and a wood-fired pizza oven. Live music is now a regular feature in the outdoor beer garden.
